SPRING SENSATION AT BALL MEETING

Eastern League and American Association Representatives Leave Session.

REFUSE TO BE GOVERNED BY THE BUSH LEAGUES

Chicago National Team Is Reprimanded for Unbusiness-Like Methods.

CHICAGO, Nov. 11 .- Eastern league and American association representatives caused a sensation at the annual meet-ing of the national association of baseball clubs in this city today by with-drawing from the session. The two bolting factions had presented a resolution asking that they be given control of the national board of arbitration, and that the Western and Southern leagues

be reduced from class A to class B.

This resolution was voted down.

President O'Brien then asked that the American and Eastern leagues be with drawn from the National association, and requested permission to negotiate with the American league and the National league for a special working agreement.

tional league for a special working agreement.

The petitioners insisted upon immediate action, and when their petition was overwhelmingly defeated the two factions withdrew from the meeting. They declined to make any statement other than that they did not propose "to be governed by a great number of bush leagues."

Next Move.

Their next move, it is said, will be to confer with the two big leagues—the American and the National—with the hope that they may be given permission to act as a separate organization—really a third major league. Rumors which could not be confirmed had it that the American association had not given up all ides of invading major league territory, and that designs were held on Pittsburg, Cincinnati, St. Louis and Chicago. If there is anything in these rumors, it goes without saying that the American association has nothing to hope for from the national commission.

"We have done nothing more serious fain to withdraw from the meeting," said President O'Brien of the American association. "We have not withdrawn from organized baseball, nor have we severed connection with the National association by our action. We have not become 'outlaws."

Technically it was the attempt of the Eastern and American factions to reduce the board of arbitration from seven to five members, and to obtain three of the five votes, that aroused the greatest antagonism in the convention,

Against Resolution

The small leagues supported the southern and Western leagues in the right against the reduction in classifiright against the reduction in classifi-cation of these two organizations, and the vote was solidly against the resolu-tion. When the two big leagues had asked for everything they wanted and had been refused they boiled the meet-ing. Efforts were made to secure the aid of the Pacific Coast league for the secessionists, but it could not be learned that this move had attained success. While these events were moving for-ward the national commission trapssid of the Pacific Coast league for the special to the Problem.

was unofficially stated that the Chicago National league team would be reprimanded for unbusiness-like methods in disposing of tickets in the world's championship series.

A separate meeting was held today by the Western league, at which harmony prevailed. The cities of Wichita and Topeka, Kan., were voted into membership in the Western league, increasing the number of cities in that organization from six to eight.

Dick Cooley, formerly of the Boston National league team, will lead the Topeka club, and Frank Isbell, the great first baseman of the Chicago White Stockings last summer, will head the Wichita athletes.

Boulder Must Bring Her Own Officials or Refuses to Play Scheduled Game.

Coach Maddock received a letter from Boulder Wednesday announcing that Boulder would not leave Colorado until the University of Utah would agree to allow two men, who would accompany the Boulder team, to act as officials. The Utah boys had already consented to allow C. Henry Smith to act as umpire, although his proper place would be refered, and when the letter came requesting two officials the students and athletic committee here were dumfounded. It is something that Utah has never asked Colorado and never will, as the Utah boys place some trust in humanity, but it appears as if Boulder is afraid of being robbed and wishes to bag the officials. Wirt McCarthy, a Denver sporting writer, has been named for the second official. allow two men, who would accompany the has been named for the second official.
It appears to the local football fans that Boulder's manager has a "crust" harder than Jumbo, the elephant. The baby act of refusing to come unless they can bring their own officials is taken as a direct insult by Sait Lake fans, many of whom are denouncing the Boulder team and

insult by Sait Lake fans, many of whom are denouncing the Boulder team and hope they will remain at home.

It is a clear case of cold feet. Boulder has probably memorized the writeups on the Utah-Wyoming game, in which Utah scored 75 to 0. Coach Maddock has got a strong team, although it is a light one, and it is the opinion of football experts that it can wipe any Colorado team off the earth.

Boulder is recognized as the best team in Colorado at present, and should it lose to Utah the latter would then retain the title of intermountain champions. If the

Some one suggested that the Boulder team secure the Colorado state militia for protection, as the Utah glants certainly look very dangerous.

SMALL CROWD ATTENDS GOOD CARD OF RACING

Only five running races were held at the fair grounds track Wednesday afternoon. Two favorites, two second choices and an outsider took the money. A small crowd was present and the bookles were not as busy as they have been in the past. The races were good.

The lorses in the first race were sent off at 2 is, the stop at the post being five minutes. Yank was a hot favorite, but Jockey Nelson on Bill Bagwell won the honors by one and a half lengths, Black Domino taking the show a length behind Yank. The distance was six furlongs.

J. Carroll, a stable boy, rode Mina Baker to the front in the second race for the furlengs. Baker was a second choice

Kuropatkin, the favorite, with 4 to 5 odds on, won the third race by a length from Sir Preston. Cavanaugh, in the saddie, rode a good race and coming up from second position in the stretch beat out his field for the five furlongs. Julia C.

Jockey Leeds brought in a long shot, offered at 4 to 1, winner by three lengths. Hi Caul Cap, the favorite, was beaten out by two lengths by Anona. Hi Caul Cap got a poor start at the post and was never able to make good in the seven furiongs race.
Only three starters were sent away in the four and a half furiongs, the last event. Happy Chappy was the favorite and Jockey Wecker took no chances, leading Jiliette and J. W. Fuller all the way.
